Continuing Professional  
Development

# AGENDA

## An Afternoon of Dermatology

**11:30 AM**      **Registration & Lunch**

**12:30 PM**      **Welcome & Overview**

Yuka Asai, MD, MSc, PhD, FRCPC, DABD, Associate Professor,  
Department of Medicine, Division of Dermatology, Queen's University

**12:35 PM**      **Better biopsies – a pathologist's primer**

Ami Wang, MD, Assistant Professor, Department of Pathology and Molecular Medicine,  
Queen's University

**1:05 PM**      **Mouthy Problems: Oral Dermatology**

Thomas Herzinger, MD, Professor, Division of Dermatology, Queen's University

**1:35 PM**      **Nutrition Break**

**1:50 PM**      **Unpronounceable Therapeutics for Psoriasis and Eczema**

Yuka Asai, MD, MSc, PhD, FRCPC, DABD, Associate Professor, Department of Medicine,  
Division of Dermatology, Queen's University

**2:30 PM**      **It's not patchwork: pitfalls of allergic contact dermatitis**

Sonja Molin, MD, Associate Professor Department of Medicine, Chair, Division of  
Dermatology, Queen's University

**3:00 PM**      **Quick Hits**

Yuka Asai, Thomas Herzinger, Sonja Molin, Ami Wang

**3:40 PM**      **Q&A**

Yuka Asai, Thomas Herzinger, Sonja Molin, Ami Wang

**4:00 PM**      **Program Close**

Network: MarriottBonvoy\_Conference  
Password: RIKINGSTON

# Learning Objectives

## **Better biopsies – a pathologist's primer**

At the conclusion of this session, participants will be able to:

1. Discuss how to select biopsy sites for inflammatory and neoplastic lesions (Medical Expert)
2. Demonstrate how to submit tissue properly for optimal pathology assessment (Medical Expert, Collaborator)

## **Mouthy Problems: Oral Dermatology**

At the conclusion of this session, participants will be able to:

1. Integrate high-impact practices from evidence in treating oral dermatology conditions in patients (medical expert)
2. Discuss oral dermatology conditions with patients in your clinical practice (communicator/advocate)

## **Unpronounceable Therapeutics for Psoriasis and Eczema**

At the conclusion of this session, participants will be able to:

1. Compare the pathways of traditional systemic therapies and new therapies used in dermatology for psoriasis and eczema (Medical Expert/Scholar)
2. Interpret the potential benefits and drawbacks of systemic therapies for psoriasis and eczema and their side effects (Medical Expert/Advocate)
3. Apply baseline workup and monitoring for systemic treatments for psoriasis and eczema (Medical Expert)

## **It's not patchwork: pitfalls of allergic contact dermatitis**

At the conclusion of this session, participants will be able to:

1. Identify patients that can benefit from patch testing (Medical Expert)
2. Recognize potential challenges of allergic contact dermatitis and patch testing (Medical Expert)

## **Quick Hits**

At the conclusion of this session, participants will be able to:

1. Discuss high-frequency dermatological conditions with patients and colleagues (Communicator/Collaborator)
2. Integrate emergent and established high-impact practices for treating dermatological conditions into your practice (Medical Expert/Scholar)
3. Perform effective examinations and procedures in your primary care practice when treating dermatology patients (Advocate/Medical Expert)

## **Q & A's**

At the conclusion of this session, participants will be able to:

1. Discuss high-frequency dermatological conditions with patients and colleagues (Communicator/Collaborator)
2. Integrate emergent and established high-impact practices for treating dermatological conditions into your practice (Medical Expert/Scholar)
3. Perform effective examinations and procedures in your primary care practice when treating dermatology patients (Advocate/Medical Expert)

# Planning Committee

**Yuka Asai, MD, MSc, PhD, FRCPC, DABD**, Associate Professor, Department of Medicine, Division of Dermatology, Queen's University

**Thomas Herzinger, MD**, Professor, Division of Dermatology, Queen's University

**Sonja Molin, MD**, Associate Professor Department of Medicine, Chair, Division of Dermatology, Queen's University

**Emily O'Connor, MD, CCFP**, Assistant Professor, Department of Family Medicine, Queen's University; Family Physician, Seeleys Bay Medical Clinic

**Richard van Wylick, MD, FRCPC**, Associate Professor, Pediatrics, Vice-Dean, Health Sciences Education, Queen's University

**Terry Soleas, PhD, OCT, BSCH, Bed**, Director of Continuing Professional Development, Professional Development & Educational Scholarship, Faculty of Health Sciences, Queen's University

**Jenny DeBruyn**, MarCom Coordinator and Program Quality Lead, Professional Development & Educational Scholarship, Faculty of Health Sciences, Queen's University
